August 1, 2006

Greetings,

Medical Square Pharmacy has been formulating the powder-filled capsules to be used in accordance with the Sheehy-House Powder Insufflator, which also we are able to supply.

The following formulas are available:

1. CSF	Chloromycetin 50mg	<u>cost per capsule</u>
	Sulfanilamide 50mg	Physicians.....\$18.00
	Fungizone 5mg	Patients..... 20.00

2. CSF/HC	Chloromycetin 50mg	<u>cost per capsule</u>
	Sulfanilamide 50mg	Physicians.....\$ 20.00
	Fungizone 5mg	Patients.....22.00
	Hydrocortisone 1mg	

For Patients allergic to Sulfanilamide

3. CF	Chloromycetin 50mg	<u>cost per capsule</u>
	Fungizone 5mg	Physicians.....\$ 18.00
		Patients.....20.00

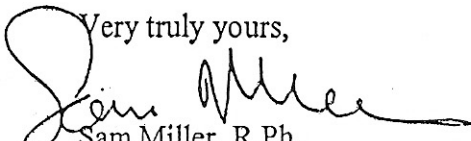

For Patients allergic to Sulfanilamide

4. CF/HC	Chloromycetin 50mg	<u>cost per capsule</u>
	Fungizone 5mg	Physicians.....\$ 20.00
	Hydrocortisone 1mg	Patients..... 22.00

Please note, when properly used, each capsule should last the patient one week. We advise the extra capsules be stored in the refrigerator. However, the capsule which is being used in the insufflator, should not be refrigerated.

For your convenience we deliver via United Parcel Service and we gladly accept all major credit cards and most prescription insurance plans.

Very truly yours,

Sam Miller, R.Ph.
